Annapuran Base Camp Heli Tour - 4 Hours

ANNAPURNA BASE CAMP TOUR BY HELI: 4 HOURS

The Annapurna Base Camp Helicopter tour represents one of the most efficient methods to reach the renowned Annapurna Base Camp (4130m), situated at the base of the Annapurna massif. While the Annapurna Base Camp trek is a celebrated trekking route in Nepal for adventure enthusiasts, the four-hour helicopter journey to ABC offers an accessible and comfortable alternative that accommodates travelers of all ages and fitness levels. This option is particularly advantageous for those seeking luxury travel experiences, travelers with limited time availability, and senior visitors. Additionally, some travelers prefer to combine both experiences by trekking to Annapurna Base Camp and returning to Pokhara via helicopter flight.

The Annapurna Base Camp Heli-landed tour represents the most exhilarating experience available in Pokhara, offering spectacular panoramic views of the mountain, Pokhara valley, and surrounding landscapes without requiring trekking or expedition activities. This package includes group joining options, with the displayed pricing reflecting group rates. Your journey begins with hotel pickup and transfer to Pokhara's domestic airport. Following this, you'll embark on a helicopter ride to Annapurna Base Camp, enjoying breathtaking vistas of the Dhaulagiri and Annapurna ranges, glaciers, verdant valleys, and stunning terrain. After approximately 30 to 45 minutes of flight time, you'll land at Annapurna Base Camp (4,130 meters) and have 20 to 30 minutes to explore, capture photographs, and enjoy tea or coffee. You'll then return to Pokhara via the same helicopter route, where we'll arrange your hotel drop-off for your convenience, extending to the lakeside area if needed. Should you prefer to start from an alternative location, additional transportation fees will apply.

The Annapurna Base Camp heli tour typically operates year-round; however, the optimal seasons are spring (March to May) and autumn (September to November). For those seeking the most scenic

and thrilling adventure while in Pokhara, the Annapurna Base Camp Heli Tour is an unparalleled choice. Book your Annapurna Base Camp Heli Tour with Sherpa Nomad Trek Pvt. Ltd. and benefit from competitive pricing and exceptional service. Our company is recognized for delivering quality service, operational flexibility, and rigorous safety protocols.

ANNAPURNA BASE CAMP HELI TOUR COST FOR 2026-2027

The Annapurna Base Camp Helicopter Tour, commonly called the Mountain Flight, offers an exceptional aerial experience that lands directly at Annapurna Base Camp. This tour offers unparalleled views of the Himalayan landscape, mountains, and glaciers from an intimate vantage point. You will experience breathtaking panoramas of Annapurna, the world's 10th-highest mountain, along with the surrounding majestic Himalayan peaks. The cost of the helicopter tour varies based on group size and whether you select a shared or private charter option. Below is a breakdown of pricing according to shared and private arrangements.

Annapurna Base Camp Heli Tour Sharing Cost

The Annapurna Base Camp helicopter tour cost varies depending on group size. Solo travelers can expect to pay USD 700, while groups of 2-30 participants will be charged between USD 550 and USD 650 per person. This cost includes landing at Annapurna Base Camp at 4,130 meters, round-trip helicopter transportation, hotel transfers, required permits, and additional fees as detailed in the inclusions and exclusions section. Book your exciting Annapurna Base Camp helicopter tour with Sherpa Nomad for an unforgettable experience. Please note that solo trips may be subject to cancellation if no group is available, as this depends on flight availability.

Annapurna Base Camp Heli Tour Charter Cost

The Annapurna Base Camp helicopter charter is priced at USD 2,400 and accommodates a maximum of 5 passengers, though the final cost may vary depending on total weight. Whether you are traveling solo or with a group of up to 5 passengers, the helicopter charter fee remains consistent. If you are traveling with others, you have the option to share the cost among all

participants. We recommend booking the helicopter charter if you prefer a 100% confirmed trip.

DETAILED ITINERARY

Day 1: Helicopter ride to Annapurna Base Camp (4130m) landed and back to Pokhara and drop to hotel: 4 hours

Your Annapurna Base Camp helicopter tour begins with an early morning pickup from your Pokhara hotel at approximately 5:00 am, followed by a transfer to the Domestic Airport for your flight. Upon boarding the helicopter, you will ascend and glide across the Pokhara Valley toward the breathtaking Annapurna Base Camp, situated at 4,130 meters. The flight spans 30 to 45 minutes, offering panoramic views of the Pokhara Valley, verdant landscapes, pristine lakes, traditional villages, varied terrain, moraines, glaciers, and the majestic Annapurna mountain range. Upon landing in this magnificent Himalayan setting, you will enjoy 20 to 30 minutes at Annapurna Base Camp, surrounded by 360-degree mountain vistas. This time allows you to appreciate the stunning scenery, capture photographs, and relax with complimentary tea or coffee. Recognized as Nepal's premier scenic flight experience, your return journey to Pokhara offers equally spectacular aerial views as you soar back across the sky. Upon landing, you will be transported to your hotel. If you are already at Annapurna Base Camp and wish to arrange a helicopter flight, we welcome you to join us. Once our aircraft lands at the base camp, you can book a scenic helicopter ride back to Pokhara. Following your arrival in Pokhara, we will provide a hotel transfer if your accommodation is located in the lakeside area.
