

Tsho Rolpa Trek - 8 Days

TSHO ROLPA LAKE TREK: 8 DAYS PACKAGE

The Tsho Rolpa Trek represents one of Nepal's lesser-known off-the-beaten-path destinations, offering a relatively short, manageable, and visually stunning trekking experience that allows adventurers to discover the journey's most tranquil moments. Also referred to as the Rolwaling Trek, this route is situated between the Langtang and Everest regions within the Gaurishankar Conservation Area in Dolakha District, Nepal. Tsho Rolpa holds the distinction of being Nepal's largest glacial lake. Positioned at an elevation of 4,183 meters, the Tsho Rolpa Trek traverses the Rolwaling Valley in Dolakha District, nestled beneath the Rolwaling mountain range and at the base of Mount Gaurishankar, which stands at 7,134 meters.
